## WORK PROGRAM

The Operations Division utilizing "Team Policing" has combined most of the line (patrol section) and investigative (detective section) functions into one unit for purposes of providing full neighborhood services. These services include patrolling the streets enforcing laws, and providing all special helping services to citizens within the community. The city is divided into six (6) team areas with permanent assignment for all members. The provision of total police services by each team advocates the generalist approach as opposed to specializations. Therefore, members of the Division investigate offences, secure warrants and assist in the prosecution of both adult and juvenile offenders.

The six team areas are as follows: Adam 1 (Northwest), Adam 2 (West), Adam 3 (Southwest), Baker 1 (Northeast), Baker 2 (East-Central), and Baker 3 (Southeast).

The 1979 budget for the Police Helicopter Section shows a decrease of \$7,029 or 6.2% when compared to the 1978 budget of \$113,079. Significant changes from 1978 are as follows:

The Personal Services account shows an increase of \$5,248 or 8.2% due to the salary improvement.

The Contractual Services accounts show a decrease of \$16,555 mainly due to no longer budgeting for helicopter depreciation for the two helicopters in Account 295. During 1978 the decision was made to not purchase brand-new helicopters in the future, but instead the existing helicopters will be rebuilt as necessary. Account 360 shows an increase of \$1,225 due to the increased cost of aviation fuel and oil. Account 370 for equipment repair parts shows an increase of \$3,023. Included in Account 370 is \$6,200 to either overhaul or exchange an existing helicopter engine.

No Capital Outlay is budgeted for 1979.

Sedgwick County will again provide \$23,730 to offset the cost of operating the two Police helicopters. This amount is shown as a revenue to the General Fund.
